Dear Sir/Madam,

Town and Country Planning Act 1990 (Section 293D Applications)

The Town and Country Planning (Crown Development Applications) (Procedure and Written Representations) Order 2025

Address: Grenfell Tower, Grenfell Road, North Kensington, London, W11 1TQ

Description of proposed development: The works to take down Grenfell Tower

I refer to the above consultation for a Crown Development Application, which was received from you on 15 June 2026. I am responding in my capacity as Deputy Mayor for Planning, Regeneration and the Fire Service, acting under delegated authority.

The consultation is being undertaken pursuant to article 22 of the Town and Country Planning (Crown Development Applications) (Procedure and Written Representations) Order 2025. As the application does not fall within the statutory consultation provisions of Part 1 or Part 2 of the Schedule to the Town and Country Planning (Mayor of London) Order 2008, it is not considered to be of Potential Strategic Importance and therefore the Mayor has no formal comments to make in response to the consultation in his capacity as Strategic Planning Authority for Greater London.

Grenfell Tower has deep personal significance to those affected by the tragedy and residents in the immediate community and the land is sacred to bereaved families. On this very sensitive and personal matter, the government should take every step to respectfully and carefully implement any planning permission related to this proposal.

Please do not hesitate to contact me should you have any further queries.

Yours sincerely,

Deputy Mayor for Planning, Regeneration and the Fire Service
