Further to my letter 25/11/2020, thank you for your e-mail 28/02/21 revising the layout drawing to include the addition of a single lighting column at the entrance to the car park. This follows on from our Teams discussion on the need to building in reasonable safe illumination to the x 2 parking bays reserved for those with disabilities visiting the Church. The detail on the amended plan is as per the agreement reached between the parties in the on-line meeting. Please accept my thanks for going the extra mile and working with all parties to achieve a satisfactory outcome balancing safety with minimising unnecessary light pollution: I note Jerry Fox's confirmation the change is acceptable to the Church.

In accordance with Schedule 2 para 11.1 of the s.106 agreement, I confirm that the (FUTURE EU ROADS RELATIONSHIP SEVINGTON IBF CHURCH CAR PARK GENERAL ARRANGEMENT Sheet 1 of 1) Drawing No. 419419-MMD-01-MO-DR-C-0171 Revision P03 is approved by the Local Planning Authority.

Yours sincerely
