Contractors must verify all dimensions on site before commencing any work or shop drawings. This drawing is not to be scaled. Use figured dimensions only.
Subject to statutory approval and survey.
The building areas are subject to adjustment over the course of the design process in line with the ongoing construction related developments.
Please note the information contained within this drawing is solely for the benefit of the employer and should not be relied upon by third parties.
The CDM hazard management procedures for the Chetwoods aspects of the design of this project are to be found on the 'Chetwoods - Hazard Analysis and Design Risk Assessment Drawings'. The full project design features from this project are available on the 'Chetwoods - Hazard Analysis and Design Risk Assessment Drawings'. This comprehensive set of hazard management procedures are available from the Principal Designer appointed for the project.
